

Game Country Archers Junior Program

Tuesday, October 13, 2009

Dear Friends:

The Game Country Archers has an innovative program providing a worthwhile activity for young people of the Grande Prairie area. The mission of the Junior Program is to promote the lifelong sport of archery for the Grande Prairie area. We work directly with small groups of 10- 18 year-olds to create a high-quality learning experience.

We currently have a limited budget that does not allow us to provide this program to a large group. We want to expand the program to enable us to reach as large a group as possible. We are therefore exploring different fundraising options. Your contribution would help us to reach this goal.

Our program is designed to teach all disciplines of archery, indoors and outdoors. Program content includes archery history, safety, technique, equipment, mental concentration, and self-improvement.

We are planning to purchase state-of-the art equipment that is safe and designed to fit every participant.

Your sponsorship will be acknowledged at all GCA Jr. Program functions as well as on our club web site and clubhouse at Evergreen Park.

Sponsorship levels: Gold \$500
 Red \$300
 Blue \$200
 Black \$100
 White \$50

Sincerely,
Yvan Gounelle
